

CUIMC Employee Resource Groups Present: Mental Health, Equity & Resilience

In recognition of Mental Health Month (May), Columbia University Irving Medical Center Human Resources Department and Employee Resource Groups host a mental health discussion.

This session will be facilitated virtually by NYC Department of Health and Mental Hygiene (DOHMH) and will address the mental health challenges brought on by the pandemic along with relevant and accessible resources.

Wednesday, May 5th, 2021
1:30p - 2:30p

Registration is required in advance

<https://events.columbia.edu/go/MentalHealthDOHMH>

Zoom meeting details will be shared closer to event date

All Columbia University staff and faculty are welcome to attend
